

Management System Certification Body

CERTIFICATE

No. 26-En-0116 Rev. 0

ECOENERGY CONSULTING

Marka Đukanovića 9, apartment 3, 81000 Podgorica, Montenegro

Company Reg. No.: 03250237

has documented and implemented system in compliance with the requirements of

ISO 50001:2018

Energy Management System

for

Provision of consulting, engineering and project management services in the fields of environment, social performance, climate change, biodiversity, renewable energy, energy efficiency and sustainable development, including environmental and social assessments, permitting support, monitoring, due diligence and technical advisory services

The certificate is issued on the basis of the results mentioned in the pertinent audit report. Validity of the certificate is conditionally limited by positive results of surveillance audits, which the certified company is committed to undergo. The validity of this certificate can be checked on the main page of the IGC website www.igcert.org. This certificate can be invalid if the certificate holder does not fulfill the conditions set out in the certification agreement.

Initial issue date: Sep. 01. 2026
